Physician of the Day Program

The Indiana Academy of Family Physicians and the Indiana State Medical Association will once again sponsor the Physician of the Day program at the 2018 General Assembly. Your assistance is needed! This interesting and fun program allows you to observe the legislative process firsthand, meet with your state legislators, and leave a great impression about family medicine on the General Assembly.

In April, the IUSM Office of Diversity will sponsor the AMS meeting. In May, there are plans to have a pharmaceutical company sponsor the meeting, which means more than likely will be at a nice restaurant. Stay tuned.

Lastly, it is time to pay dues for the 2018 calendar year. Please use the attached form and mail in with your dues.

The meeting was short and adjourned.
