Present:

Dr. Moye

Dr. Treadwell

Dr. Desadier

Dr. Gill

Dr. Corbitt

Dr. Barrett

Cindy Abram-MS 1

Jarrell Gary-MS 1

Shaneise Ellis-MS 1

The meeting was called to order at approximately 6:45pm

Welcome to the students in attendance.

Announcements: Please complete the attached form and send in your 2018 Membership Dues. The amount is \$200. AMS members and SNMA students influencing the face of health care in America. With Jerome Adams, MD as Surgeon General, Virginia Caine, MD as NMA Chairman of the Board and Jason Powell as the SNMA Chairman of the Board, it is the first time all three leaders had IUSM ties. It is my understanding that it is the first time any IUSM student has “sat at the table” to affect change within minority communities. On behalf of the SNMA, he recently met with Surgeon General Adams, the Assistant Secretary of Health (his boss), the Director of Minority Health (Dr. Lin), and the Director of Black Health Policy (Dr. Wu) “on the hill”.

Special Guests:

Ms. Chere Cofer from Open Book M.D. spoke about her product of centralizing the scheduling of pharma reps to medical offices. See website, <http://www.openbooksmd.com/>. Each office would have an electronic schedule where they open dates and times that are convenient for them. The pharma reps will have access to the calendar and know when the available slots are. They could then sign up as appropriate. There is no cost to medical offices for this product. For more information, please contact Ms. Cofer at: cc.openbooksmd@gmail.com or 317-374-5635.

Ms. Lisa Hayes spoke to us about the upcoming **2nd Annual Alert, Stay Alive Breast Health Summit** which will held at the Fr. Boniface Gathertorium on **Saturday, April 14, 2018 at Martin University**. See details at <https://www.eventbrite.com/e/2nd-annual-stay-alert-stay-alive-breast-health-summit-registration-43370706952>. One of the purposes of the organization is to study and work towards eliminating the disparity in breast Cancer between Caucasian and African-American women. There will be a luncheon at noon which will feature family members of Henrietta Lacks. It was her cells that were used for research without her permission that led to many biological advances. General Admission Tickets are \$15. Please contact Ms. Lisa Hayes at 317-426-9384 or redallianceindy@gmail.com for more information.

NMA Regional Conference will be in Indianapolis at the JW Marriott beginning Friday, May 4th through Sunday, May 6th. Register by April 2nd. For more information, go to http://c.ymcdn.com/sites/www.nmanet.org/resource/resmgr/Registration_May_2018_Region.pdf

Panel of Medical Students and a separate Panel of M.D.'s

Parking is in either White River, Eiteljorg, or Indiana State Museum underground parking. You can park in Circle Center, but that is a good hike.

The NMA National Conference is August 11-15 in Orlando Florida. For more information and registration, go to <http://www.nmanet.org/events/EventDetails.aspx?id=1013322>. If you have not already, please consider signing up for the conference.

Legislative Update- If possible, recommend signing up for Doc of the day for the next legislative session next year. More can be found at <https://www.in-afp.org/physician-of-the-day>

IU-Diversity Affairs - Many thanks to the IU Diversity Office! The April meeting of the Aesculapian medical Society will be sponsored by the IUSM office of Diversity. This meeting

will be an opportunity for SNMA medical students to network with Aesculapian Medical Society physicians. So, please make an effort to come to the next meeting so medical students can meet and see that we have physicians in the community that want to be mentors. The meeting is on Tuesday, April 10th at 6:00 p.m. Stayed tuned on the location in a future communication. Looking forward to having a great turnout by Aesculapian Medical Society members and non-members. There will be a panel for a question/answer session.

SNMA News - The medical students will be attending the AMEC National Conference in San Francisco in March. Ten IUSM medical students will be going. They are appealing to the Aesculapian Medical Society for assistance with their trip in the amount of 1500.00 to 3000.00. Dr. Gill has generously given \$500.00 to them towards the conference. Thank you Dr. Gill! For more information on the conference go to <http://www.snma.org/amec.php>
